FACIALS

Youth Facial

A professional skin analysis. The therapist educates the young client on the best daily skin care regime for his/her unique skin care concerns.

60min R300

Anti-Pigmentation Facial

Notice a more even skin tone after this facial. Be educated about the successful lightening of pigmentation which may be a lengthy process.

60min R600

Deep Cleaning Facial

This facial will deep cleanse the skin from impurities and built-up sebum often trapped deep within the pores. Prevent a potential break-out. Skin will appear healthier and smoother.

60min R400

Acne Facial

Gentle cleansing will calm inflammation and assist the healing process. Receive advice regarding the best daily skin regime to best manage this condition.

60min R500

Balancing Facial

Deep cleanse, calm and control excess oil on the t-panel of the face and simultaneously inject moisture to dry and dehydrated areas. Skin will appear more radiant as muscle tone and a more even skin texture is improved.

60min R500

Hydrating Facial

The ideal facial before a glamorous event. By removing dead surface skin cells and infusing the skin with moisture and anti-ageing actives, this treatment will restore and enhance the skin's natural and once youthful radiance.

60min R500

Medical Spa Facial

Ideal for neglected skin needing professional intervention. This controlled triple exfoliating treatment will remove all dead surface skin cells. Optimum penetration & therefore maximum results of all the active ingredients. Improved skin texture, elasticity and hydration.

75min R650

Anti-Ageing Treatment for Face, Neck and Hands

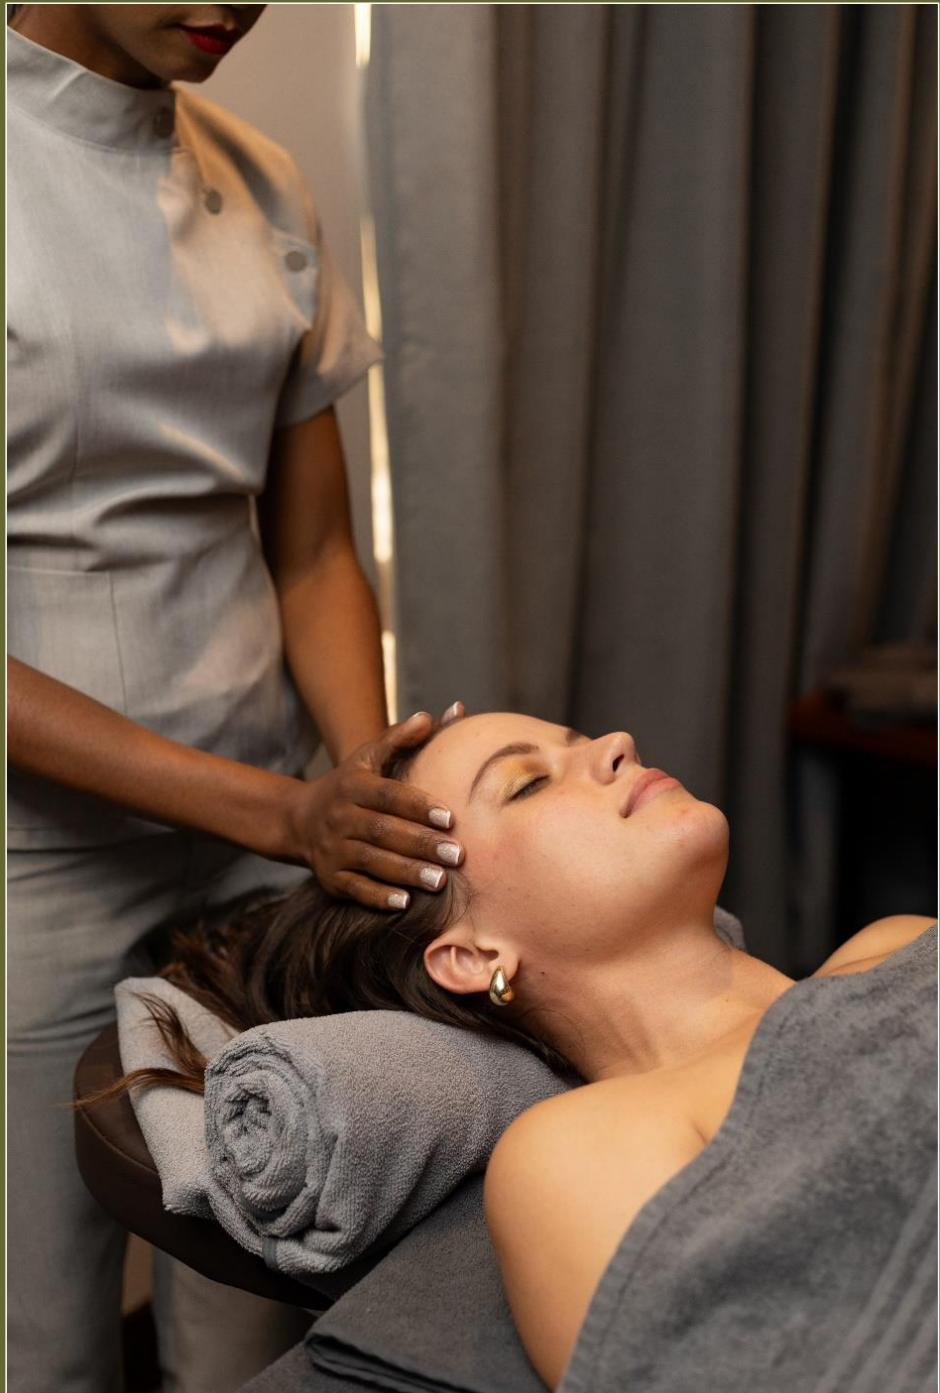

A double exfoliating procedure that will promote smoothness, Stimulated cytoplasm production and collagen synthesis will ensure a plumped and firming effect which are affected by the natural ageing process.

60min R650

Age Erasing Chemical Peel

A single chemical skin peel treatment will visibly improve the signs of ageing. Follow-up peels are recommended. Improve hyper pigmentation, skin discolouration, reduce fine lines, wrinkles and acne scarring. Assist with the reduction of acne breakout.
